**Re: BELLAIRE DRIVE CLOSING TO THRU TRAFFIC**

Dear CASD Staff,

The Carlisle Area School District will be permanently closing Bellaire Drive to through traffic beginning June 13, 2022. Bellaire Drive is a private, school district owned road that has been used over the years as a short cut for drivers to W. Penn Street. Currently, Bellaire Drive connects PA Route 74, Waggoners Gap Road, and W. Penn Street in the Carlisle Borough. Bellaire Drive will be closed at both the north and south ends of Ken Millen Stadium on the Carlisle High School campus.

There are two main purposes of this closure. First, the closure is necessary for the construction of the new artificial turf field on the east side of Bellaire Drive (across from Ken Millen Stadium). Secondly, closing Bellaire Dr to through traffic will increase the safety on our high school campus. Bellaire Drive goes through the middle of our high school campus and creates unnecessary vehicular traffic between our buildings often compromising the safety of our students.

Sincerely,
